

Lesson 10

Chapter 8 - *Prepare Your Mind For Action* and Chapter 9 - *Okay! Where Do I Start*

Review Chapters 8 and 9 in preparation for this lesson.

1. a) If you were planning to plant a garden in an overgrown patch of weeds, where would you begin? What specific preparation would be needed?

b) What spiritual applications could be applied to such a project?

2. Open your Bible to Psalm 139:23-24 and in a quiet moment of contemplation, ask the Holy Spirit to examine the garden of your life. Ask Him to reveal anything that may need to be done or cleared away in order for the seed of His Word to freely take root and grow.

3. As you contemplate memorizing Scripture in its full context you will find ten suggestions in chapter 9. Review these comments and prayerfully fill in your answers below. (If you have already addressed these areas—in your mind, just change the future tense to present tense as you check to make sure they have all been addressed.)
